

Everything SATS — Reading Mock 1

Question booklet

This is an original practice paper written for Everything SATS. It follows the layout and question types of the real Key Stage 2 English reading test, but it is **not** a real past paper.

40 questions, 50 marks. Write your answers in this booklet. The space for each answer shows what kind of answer is needed: a short line for a word or two, more lines for a longer answer. Some questions ask you to tick, circle or draw lines instead.

Use the texts in the reading booklet to help you answer. When a question points to a paragraph or a section, look there.

In the real test you have 1 hour to read the texts and answer the questions. There is no need to time yourself here — take the time you need.

For the adult: the answers and how to award marks are in the separate **answer booklet** (Reading Mock 1 answers).
