

Everything SATS — Maths Mock 2

Paper 1: arithmetic

This is an original practice paper written for Everything SATS. It follows the layout and question types of the real Key Stage 2 mathematics test, but it is **not** a real past paper.

36 questions, 40 marks. Put your answer in the box for each question. Long multiplication and long division questions are worth 2 marks: show your method, because you can get 1 mark for a correct method even if the answer is wrong.

In the real test this paper lasts 30 minutes. There is no need to time yourself here — take the time you need.

For the adult: the answers and how to award marks are in the separate **answer booklet** (Maths Mock 2 answers).

Free to print, copy and share. No accounts, no paywall. everything-sats.github.io

Name: _____

Paper 1: arithmetic

1 $3,454 + 435 =$

1 mark

2 $600 - 152 =$

1 mark

3 $9,988 = 9,000 + \square + 80 + 8$

1 mark

4 $27.67 + 81.951 =$

1 mark

5 $303 - 9 =$

1 mark

6 $66 \div 11 =$

1 mark

7 $4 \times 701 =$

1 mark

8 $\square \times 831 = 0$

1 mark

9 $536 + \square = 590$

1 mark

10 $80 \div \square = 10$

1 mark

11 $\frac{1}{3} + \frac{5}{6} =$

1 mark

12 $252 \div 7 =$

1 mark

13 $834 \times 5 =$

1 mark

14
$$\begin{array}{r} 874 \\ \times 81 \\ \hline \end{array}$$
